

The Harrisburg Water and Gas department offers a rebate program for new and existing customers that meet certain terms and conditions as stated below. This program is designed to help cover the costs of converting to natural gas. However, existing customers that update their existing gas appliances are eligible for some rebates as well. To qualify for the rebate the customer, being the property owner, must complete the attached application form, supply a receipt of purchase, and allow a representative of the Harrisburg Water and Gas complete an inspection of the appliance.

New Customers (Customers adding natural gas services)	Existing Customers (Customers with existing natural gas services)
\$300- Furnace	\$150- Furnace
\$125- Tankless Water Heater	\$50- Tankless Water Heater
\$150- Standard Water Heater	\$75- Standard Water Heater
\$75- Range/Cooktop	\$40- Range/Cooktop
\$50- Gas Log/Infrared Heater	\$50- Gas Log/Infrared Heater

For homes with multiple like appliances ie. two furnaces, three water heaters, etc. each additional appliance will receive half the rebate amount stated above for that appliance. Restrictions may apply.

Installation shall be completed at the customer's expense and must meet state code.

The Harrisburg Water and Gas department reserves the right to suspend or change this program at any time without notice.
